<sup>1</sup> While treating medical and mental health care providers are generally not considered “specially retained experts,” not all their opinions relate to the care and treatment of a patient. Their opinion testimony is limited to what is stated within their treatment documentation. As to each such expert, any opinions which are not stated within that expert’s treatment records and reports must be separately and timely disclosed.

**Note:** A motion to compel, to quash, or for a disputed protective order shall not be filed without first contacting the chambers of the undersigned magistrate judge on or before the motion to compel deadline to set a conference to discuss the parties' dispute, and after being granted leave to do so by the Court.

- 6) The planning conference scheduled for April 21, 2023, is cancelled. The trial and pretrial conference will not be set at this time. A planning conference to discuss case progression, dispositive motions, the parties' interest in settlement, and the trial and pretrial conference settings will be held with the undersigned magistrate judge on **June 23, 2023**, at **11:30 a.m.** by telephone. Counsel shall use the conferencing instructions assigned to this case to participate in the conference.

- 9) All requests for changes of deadlines or settings established herein shall be directed to the undersigned magistrate judge. Such requests will not be considered absent a showing of due diligence in the timely progression of this case and the recent development of circumstances, unanticipated prior to the filing of the motion, which require that additional time be allowed.
